Attachment AR-1

Attachment – funding arrangements for housing and homelessness assistance as well as family violence services.

1. Funding for housing and homelessness assistance is a joint responsibility of the Commonwealth and Victorian governments. Some homelessness assistance funding is directed specifically at family violence service delivery.
2. Revenue originates from the following sources:
 - 2.1 Victorian government appropriations, including National Affordable Housing Agreement funding from the Commonwealth government
 - 2.2 National Partnership Agreement funding from the Commonwealth and Victorian Governments
 - 2.3 Rent and charges paid by tenants
 - 2.4 Home finance loan repayments made by borrowers
 - 2.5 Asset sales and bank interest.
3. Revenue from rental charges has traditionally been used fund the operation of public and other Director owned housing. Rents paid by tenants are not keeping pace with rising operational costs meaning there is a deficit in public housing rental operations. This deficit is met by funding from the National Agreements. There has been a deficit in rental operations for more than a decade.
