Home at Last – Housing for the Aged Action Group. This project works with older people who are at risk of or experiencing homelessness and provides a one stop information centre for housing and assistance. More information is available on the Home at Last webpage.

Next Steps – Jesuit Social Services, Brosnan Support Services, Wise Employment. This project links employment, housing, and personal support programs for vulnerable young people. More information is available on the Jesuit Social Services website.

Families at Home – Kildonan UnitingCare and partner agencies Salvation Army Crossroads and HomeGround. This project focuses on the safety of women and children with an emphasis on early intervention to enable more women and children to remain safely at home. The project identifies and targets families where there are escalating signs of risk associated with family violence through a collaborative network approach of partner providers including health services, Maternal and Child Health services, mental health, drug and alcohol services and courts. More information is available on the Kildonan UnitingCare website.

Regional Outreach for Elderly Homeless – Wintringham Specialist Aged Care. This project works with older people who are at risk of, or experiencing homelessness in multiple locations across regional Victoria where it can be difficult to find affordable housing and appropriate aged-care. This service helps people to sustain affordable accommodation and access aged care and support services. More information is available on the Wintringham website.
