The purpose of these questions is to help us get to know you and provide you with the best possible service.

Your participation in answering these questions is voluntary and we treat your information in the strictest confidence, in accordance with privacy legislation.

If you would like to proceed, we will read out several questions about the kinds of things that may be problems/issues for people.

Please answer 'yes' or 'no' to each question.

If you answer 'yes' to a question we will then ask you whether you would like to discuss it further.

Before we start the questions, may I ask you: what is the main reason you are seeking assistance today?
