Early Years Programs

- Early Years clinical services:
 - Maternity Services (Perinatal care and family planning provided by a Midwife, Aboriginal Health Worker and GP/Obstetrician)
 - Maternal and Child Health Services (Health and Developmental care of children from birth to school age provided by a Victorian qualified MCH Nurse).
(All services available in Mildura, Swan Hill and Kerang).
- Early Years case management services:
 - In Home Support and Home Based Learning (Case management (wrap around, key worker model) provided to families from conception to school with identified needs to address vulnerabilities and assist in gaining skills and support networks in order to help the family become stable and allow secure attachment and good family functioning).
 - Cradle to Kinder (DHS funded program for young and vulnerable pregnant families in order to achieve the above outcomes).
- Early Years early intervention and early learning services:
 - Playgroups team (facilitates playgroups across the Mildura area to provide a social outlet for parents and children up to school age).
 - Koori Preschool Assistant (provides cultural education to children in all preschools in the Mildura LGA as well as providing liaison between preschool and parents).
 - Home Interaction Program for Parents and Youngsters (HIPPY) (providing parents of 4 and 5 year old Koori children with targeted educational programs delivered in the home in order to build their confidence and participation in their child's education, this promotes parents as the child's first and most important educator).
