

**ATTACHMENT RG 1**

This is the attachment marked "**RG 1**" referred to in the witness statement of Rebecca Giallo dated 7th July 2015.

# DR REBECCA GIALLO

Email: [REDACTED]

## ACADEMIC QUALIFICATIONS

- 2006 PhD/Master of Psychology (Clinical), Dept of Psychology and Disability Studies, RMIT University  
 2000 BSc(Psych) (Hons), Dept of Psychology and Disability Studies, RMIT University  
 1997 BSc (Psych), Victoria University

## PROFESSIONAL REGISTRATION & MEMBERSHIPS

- Australian Health Practitioner Regulation Agency (Psychologist - General Registration)
- Australian Psychological Society (Member)
- Australian Research Alliance for Children & Youth (ARACY)
- International Association for the Scientific Study of Intellectual Disabilities
- Australasian Society For Autism Research
- Siblings Australia
- Society for Research in Child Development

## CURRENT APPOINTMENTS

- 2014 - Research Fellow, Healthy Mothers Healthy Families Research Group, Murdoch Childrens Research Institute  
 2013 - Sessional lecturer, RMIT University  
 2013 - Sessional lecturer, Swinburne University of Technology

## HONORARY APPOINTMENTS

- 2008 - Associate of RMIT University  
 2010 - Associate Research Supervisor, Swinburne University

## PROFESSIONAL CONTRIBUTIONS

- 2013-14 External Peer Reviewer, National Health and Medical Research Council (NHMRC) Project Grants  
 2014 External Peer Reviewer, Israel Science Foundation, Israel  
 2013 External Reviewer, Parenting Research Centre Human Research Ethics Committee  
 2012- Associate Editor, Clinical Psychologist  
 2012- Advisory group member, Victorian Autism Research Reference Group  
 2010-2013 Research to Practice Advisory Group, Adolescents and Young Adults who have cancer, or who have a family member with cancer - Research to Practice Paper Series, CanTeen  
 2003 Organising Committee, 3rd Victorian Postgraduates in Psychology Conference, Melbourne

## PROFESSIONAL EXPERIENCE (most recent)

- 2013-2014 Honorary Research Fellow, Healthy Mothers Healthy Families, Murdoch Childrens Research Institute  
 2003-2013 Senior Research Fellow/Psychologist, Parenting Research Centre  
 2010-2012 Psychologist, Private Practice  
 2010-2011 Clinical Practicum Supervisor, RMIT University  
 2008-2010 Psychologist, Tweddle Child and Family Health Service  
 2005-2006 Probationary Psychologist, CAMHS and Schools Together, Ballarat Health Services  
 2004-2005 Probationary Psychologist, Clinical Health Psychology Unit, Ballarat Health Services  
 2003-2003 Probationary Psychologist, Frankston Child and Adolescent Mental Health Service  
 1999-2001 Student Support Officer, Victorian Department of Education  
 1999-2003 Disability Support, Western Leisure Care  
 1998-2003 Applied Behaviour Analysis Therapist (Autism), Private

## RESEARCH FUNDING

### *Competitive Grants*

- 2015 Alberta Innovates-Health Solutions. (Kingston, D. (Lead); Co-Leads: McDonald, S., Tough, S., Greenshaw, A. Collaborative members (alphabetical): Aitchison, K., Austin, M-P., Benzies, K., Brown, S., Chuck, A., Cui, X., deKoning, J., Dursun, S., Gartland, D., Giallo, R., Graham, S., Greiner, R., King, S., Kovalchuk, I., Lebel, C., Marsh, R., MacMaster, F., McDermott, B., Metz, G.,

- Postovit, L-M., Pryce, C., Slater, D., Sproule, J., Wynne-Edwards, K. Prediction and Understanding of Resilience in Alberta Families (CAN\$1,951, 714, 2015-2018).
- 2014 Women and Children's Health Research Institute Innovation Grant (Kingston, D. (PI), Austin, M-P., Biringier, A., Hegadoren K.M., Giallo, R., Lasiuk, G.C., MacQueen, G., McDonald, S.D., McDonald, S., Sagle, M.(Co-Investigators listed in alphabetical order) (R. Watts Collaborator; Amy Toosi and Karly Jarema Trainees). Mental Health of Women and Men Seeking Infertility Treatment. (CAN\$50,000, June, 2014-May, 2016)
- 2014 Murdoch Childrens Research Institute Population Health Theme Funding. (CIs: Patton, G., Giallo, R., Brown, S.). Building capacity in maternal mental health research. \$22,845
- 2014 Murdoch Childrens Research Institute Population Health Theme Funding. (CIs: Brown, S., Giallo, R). Promoting children's health in the face of early life adversity: Pathways to resilience across the life course. \$62,500
- 2014 Swinburne University Research Development Grant Scheme (CIs: Wood, C., Kaufman, J. Spencer-Smith, M. & Giallo, R). A systematic review of the effectiveness of touch screen device use on prosocial skills and behaviour in children and adolescents with Autism Spectrum Disorders. \$3000.
- 2013 Australian Rotary Health Mental Health Project Grant (CIs: Brown, S., Gartland, D., Woolhouse, H., Hermann, H., Mensah, F., AIs: Giallo, R., Westrupp, E., Sciberras, E). The impact of intimate partner violence on child mental health in middle childhood. \$228,007
- 2013 NHMRC Project Grant. (CIs: Brown, S., Gartland, D., Giallo, R., Herrman, H., Glover, K., Riggs, E., Yelland, J., Mensah, F., Hegarty, K., & Casey, S). The Childhood Resilience Study: Building the evidence to reduce health inequalities across the life course. \$1,030,579
- 2012 NHMRC Project Grant. Turning points: breaking intergenerational cycles of intimate partner abuse and social adversity. APP1048829 (CIs: Brown, S., Nicholson, J., Hegarty, K., Mensah, F., Gartland, D., Woolhouse, H., Hiscock, H; AIs: Giallo, R., Westrupp, E., et al., \$1,267,769.
- 2012 Channel 7 Children's Foundation. Evaluation of a group program for siblings of children with special needs. (CIs: Roberts, R. Giallo, R., Strohm, K., Jureidini, J., & Robb, J). \$74,970
- 2008 Department of Education and Early Childhood Development (Victoria). (CIs: R. Giallo, K. Treyvaud, & J. Matthews. Transition: A positive start to school. \$15,000
- 2007 ARACY Encouragement Award - Siblings of children with disabilities: Needs, services, and research approaches (CIs: S. Gavidia-Payne & R. Giallo). \$10,000

### ***Contracted Research***

- 2011 Victorian Government Department of Education and Early Childhood Development. RCT of a universal intervention to reduce the impact of fatigue on early parenting (CI: Giallo, R., Cooklin, A) \$688,000.
- 2010 Victorian Government Department of Education and Early Childhood Development. Contextual and individual factors associated with parent fatigue and wellbeing. (CI: Giallo, R., Cooklin, A) \$201,000.
- 2009 Victorian Government Department of Education and Early Childhood Development. Development of a universal intervention to reduce the impact of fatigue on early parenting (CI: Giallo, R). \$201,000.
- 2007 Victorian Government Department of Education and Early Childhood Development. Parent Fatigue and Wellbeing Survey (CI: Kienhuis, M., Matthews, J. AI: Giallo, R). \$120,000.
- 2005 Victorian Government Department of Education and Early Childhood Development RCT of AustParenting in Schools (CI: Giallo, R., Matthews, J). \$120,000.

2004 Victorian Government Department of Education and Early Childhood Development. Pilot evaluation of Signposts for Building Better Behaviour for parents of children with an Acquired Brain Injury (CI: Matthews, J., Anderson, V., Giallo, R)

#### **Other research funding**

2014 Australian Association of Parenting and Child Health. Mental health screening and referral for fathers – a research proposal to the Australian Association for Parenting and Child Health. (CIs Fletcher, R., Bennett, E., Dowse, E., Chan, S., Giallo, R. on behalf of the Paternal Perinatal Depression Initiative. \$4,400.

#### **AWARDS AND SCHOLARSHIPS**

2015 Murdoch Childrens Research Institute Career Development Award, 2015-2016, \$50,000

2013 Inaugural Alan Hudson Award. First author of the best research paper published in 2012-2013. *Giallo, R., Cooklin, A., Wade, C., D'Esposito, F., & Nicholson, J.M. (2012). Fathers' postnatal mental health and child wellbeing at aged five: The mediating role of parenting behaviour. Journal of Family Issues, \$2500*

2012 Inaugural Alan Hudson Award. First author of the best research paper published in 2011-2012. *Giallo, R., Wade, C., Cooklin, A., & Rose, N. (2011). Assessment of fatigue and depression in mothers of young children: Support for two separate constructs. Journal of Reproductive and Infant Psychology, 29, 69-80. \$5000.*

2011 International Association for the Scientific Study of Intellectual Disabilities SINGA Scholarship, US\$1,195

2011 Outstanding Poster Presentation, 24th Annual meeting, Society for Pediatric and Perinatal Epidemiologic Research, Montreal for Giallo, R., Cooklin, A., Wade, C., D'Esposito, F., Mensah, F., Lucas, N., & Nicholson, J.M., (2011) Maternal postnatal mental health, parenting and early child wellbeing: Results of an Australian population-based longitudinal study.

2010 Awarded mentorship in the Australian Research Alliance for Children & Youth (ARACY). New Investigators Network

2002 Australian Postgraduate Award Scholarship

#### **PEER REVIEWED JOURNAL PUBLICATIONS**

A family-centred behavioural intervention for a child with mild traumatic brain injury (TBI) and attention deficit hyperactivity disorder (ADHD): Case Study. *New Frontiers in Pediatric Traumatic Brain Injury*, San Diego, CA.

Woods, D., Catroppa, C., Anderson, V., Matthews, J., Giallo, R., & Barnett, P. (2007, February). Treatment acceptability of a family-centred intervention for parents of children with an acquired brain injury – Pilot Study. *36th Annual Conference of the International Neuropsychological Society*, Portland, OR.

## TEACHING

- 2013-15      Sessional Tutor, Faculty of Life and Social Sciences, Swinburne University  
- Master of Social Science (Human Services Counselling) - Foundations of Counselling
- 2013-14      Sessional Lecturer, Faculty of Life and Social Sciences, Swinburne University  
- Master of Social Science (Human Services Counselling)
- 2013            Sessional Lecturer, School of Health Sciences, RMIT University  
- 4<sup>th</sup> year Psychology - Psychopathology
- 2010-2011    Clinical Supervisor for MPsych/DPsych Program, Division of Psychology, RMIT University
- 2001-2004    Sessional Tutor, School of Health Sciences, RMIT University.  
- 2<sup>nd</sup> year Psychology – Developmental Psychology, Social Psychology  
- 3<sup>rd</sup> year Psychology – Psychological Assessment
- 2004            Sessional Lecturer, School of Health Sciences, RMIT University  
- 3<sup>rd</sup> year Disability studies - Case management
- 1998            Sessional Tutor, Department of Psychology, Victoria University  
- 3<sup>rd</sup> year Psychology - Social Research Methods, Social Psychology, Research Methods

## POSTGRADUATE RESEARCH SUPERVISION

### **Current**

Lorraine Skinner (Master of Psychology). Relationship between intimate partner abuse and child emotional-behavioural difficulties: Mediating pathways between maternal depression and involvement in home learning activities. RMIT University. Primary Supervisor: A/Prof Susana Gavidia-Payne.

Siobhan James (Doctor of Psychology). Investigating touch screen technology as a medium for delivering interventions for children with an ASD. Swinburne University of Technology. Primary Supervisor: Dr Katie Wood

Alison Fogarty (Doctor of Psychology). Improving outcomes for children exposed to intimate partner abuse and interparental conflict. Swinburne University of Technology. Primary Supervisor: Dr Katie Wood

Monique Seymour (Master of Psychology/PhD). The mental health of fathers of children with special health care needs. Swinburne University. Primary Supervisor: Dr Katie Wood.

Holly Rominov (Master of Psychology/PhD). Relationship between mental health, parental self-efficacy and parenting behaviour in mothers of young children. Australian Catholic University. Primary Supervisor: Dr Tom Whelan.

Laura Green (PhD, Psychology). Longitudinal study of siblings of children with autism. RMIT University. Primary Supervisor: A/Prof Susana Gavidia-Payne.

Rachel Jellett (Doctor of Psychology). Parent wellbeing and early home learning environments for children with an ASD. Swinburne University of Technology. Primary Supervisor: Dr Katie Wood

### ***Completed***

Lorraine Skinner (4<sup>th</sup> year Psychology). Fathers' work-family conflict in the postnatal period and later parenting behaviour: Pathways via psychological distress and couple relationship functioning. RMIT University.

Whitney Moe (4<sup>th</sup> year Psychology, 2014). Touch screen use in typically developing children and children with Autism Spectrum Disorders: Parental attitudes and relationship with parent wellbeing. Swinburne University of Technology. Primary Supervisor: Dr Katie Wood.

Rhianna Mann (Master of Psychology, 2014). The influence of pre-sleep self-regulatory processes on the relationship between mindfulness and well-being. RMIT University. Primary Supervisor: Dr Keong Yap

Hayley Zarb. (Master of Psychology, 2014). The Self-Compassion Scale: Confirmatory factor analyses of the original and alternative models RMIT University. Primary Supervisor: Dr Keong Yap

Laura Baldwin (Master of Psychology, 2014). Evaluation of Early Days 'Supporting Siblings: What you can do to help' parent workshop. RMIT University. Primary Supervisor: A/Prof Susana Gavidia-Payne.

Vincent Chau (4<sup>th</sup> year Psych, 2013). Relationships between fatigue, depression, parental self-efficacy, and parenting behaviour among mothers and fathers of young children. RMIT University

Melissa Dunning (Master of Psychology, 2013). Fatigue and mental health difficulties in father of young children: the moderating role of social support. Ballarat University. Primary Supervisor: Dr Angela Gent

Katrina Morrow (Doctor of Psychology, 2013). Eating disorders and parenting styles. Swinburne University. Primary Supervisor: Dr Katie Wood.

Rebecca Ferrarotto (4th year Psych, 2012). Relationship quality among parents of children with Autism Spectrum Disorder. Swinburne University of Technology. Primary Supervisor: Dr Katie Wood

Lauren Rawlings (4th year Psych, 2011). The relationship between parent fatigue, parenting and behaviour difficulties among children with an ASD. Swinburne University of Technology. Primary Supervisor: Dr Katie Wood

Monique Seymour (4th year Psych, 2010) - Stress, coping and fatigue in parents of young children with an ASD. Swinburne University of Technology. Primary Supervisor: Dr Katie Wood

Deborah Brooks (4th year Psych, 2010). Relationships between fathers' mental health, child temperament, and couple relationship. RMIT University.

Brooke Slater (Master of Psychology, 2010). Fatigue, wellbeing and parenting in parents of children with a disability or chronic illness. University of Ballarat. Primary Supervisor: Dr Louise Hayes.

Rachelle Porter (Doctor of Psychology, 2009) - Parenting a child with Autism Spectrum Disorder: An exploration of the relationship between parental wellbeing, social support and parenting self-esteem. Swinburne University of Technology. Primary Supervisor: Dr Katie Wood

Rachel Jellett (4th year Psych, 2009) - Parenting a child with an ASD: The role of parental sleep and fatigue in the relationship between problematic behaviour, family functioning and exploration of the early home learning environment. Swinburne University of Technology. Primary Supervisor: Dr Katie Wood

Melissa Dunning (4th year Psych, 2009). Parents of young children: Relationships between fatigue, parenting stress, social support and parental self-efficacy. RMIT University.

Laura Baldwin (4th year Psych, 2008). Parenting siblings of children with a disability or chronic illness: Concerns and parental self-efficacy. RMIT University.

Sarah Thompson (4th year Psych, 2008). Parenting siblings of children with a disability or chronic illness. RMIT University.

Aparna Kapoor (4th year Psych, 2008). Sibling Adjustment: Relationships with daily hassles, uplifts and social support. RMIT University.

Belinda Minett (4th year Psych, 2008). Sibling Adjustment: Relationships with daily hassles, uplifts and social support RMIT University. Primary Supervisor: A/Prof Susana Gavidia-Payne.

Zvezdana Bucalo (4th year Psych, 2008). An investigation in teachers' knowledge and confidence to involve families in their children's school. RMIT University. Primary Supervisor: Dr Mandy Kienhuis.

Sam Ferretto (4th year Psych, 2008). Making the transition to secondary school: Parent concerns and self-efficacy to manage the transition. RMIT University. Primary Supervisor: Dr Mandy Kienhuis.
