28.5.2015.

To

Whom it may Concern,

My name is

I have been a victim of child abuse and domestic abuse all my life. All I wanted was help and do my best in life. Instead I went down hill. I've destroyed my body over the years because of my nerves been judged, people saying that I was a junkie. I lost my children everything. I'm not and never was a junkie, but a family court judge did. But I didn't no that I was living with a mental illness. Yes I have Borderline Personality Disorder, Plus depression and the rest. We need help. How do you end the nightmares I lost my children thanks to there dad. He wanted to destroy me for finally leaving him after [redacted] years. Since they left and he cut them off from me, life has never been the same. I tried to get help but it wasn't

there. Yes I have tried to end my life a few times. Then what I went through with my ex IV never met a evil person in my life til I met him. So many times he tried to kill me

But the last night I saw him he raped me Or now I can remember and see when I close my eyes is I was a [REDACTED] year old girl and my dad hurting me. After Back in [REDACTED] this year I thought about ~~suicide~~ suicide again, but a friend encouraged me to get help. That night I did. I have my good and bad days. But now I'm ready to fight I want to be happy and get my children. I'm sick of been a victim of family violence. I want my voice heard and people to see my scars I've suffered all my life I'm [REDACTED] now Thank You for your time and I hope I can get the chance to help others by speaking out sorry about the writing.

Your Sincerely

P.S. I'm also sick of my ex breaking the A.V.O I have on him.
